No.2439.D1/51. dated 28-3-53. 38686

Sir,

Sub: INDUSTRIES - Sericulture - Government Silk Filatures Kollegal -Audit report on the accounts for 1950-51- Pay and allowances of foreman - debit to the manufacturing and Trading account of weaving section.

Ref: Govt.Memo No.15751 G/53-1 Dev., dated 13-2-53.

With reference to the Government memo cited above, I submit that the Accountant General, Madras suggested in paragraph IV.C. of the audit report on the accounts of the Government Silk Filatures, Kollegal for the year 1949-50 that the pay and allowances of the foreman in charge of weaving section should be debited to the accounts of the weaving section, I had submitted to Government in this office letter No.6362 D1/50 dated 20-5-51 that this suggestion of the Accountant General might be given effect to in the accounts for 1951-52 and instructed the Sericultural Expert accordingly. Subsequently, while submitting my reply to para IV.C of section III of the audit report on the accounts for 1950-51, in this office letter No.2439 D1/51 dated 4-3-52 I had reported to Government that the pay and allowances of the foreman in charge of the weaving section might be debited to the accounts of the weaving section after the handloom weaving section was made permanent or after the power looms started working. The Sericultural Expert has explained that in view of the latter suggestion pending approval of Government the charges on account of the pay and allowances of the foreman in charge of weaving section were not debited to the accounts of the weaving section. I have however now issued definite instructions to the Sericultural Expert to the effect that the pay and allowances of the foreman in charge of the weaving section should be debited to the accounts of the weaving section from 1-4-53. I request that Government may be pleased to approve this arrangement.
